In preparing the petition, order and decree, please consider these notes:

The Petitioner must be a resident of the county of Los Angeles and a specific street address must be given.

The full names of each of the petitioners, if there is more than one, must be set out in the captions and body of all documents. Initials are not permitted unless it is stated that such initials do not represent a name. One petition, order and decree may be used for multiple name changes for immediate family members (i.e. parents and children). Parents must sign for and on behalf of all minors.
